

Where the Money Goes

We are excellent stewards of dollars – nearly 80 cents of every dollar raised supports mission-related programs.

Since 1995, the Northeastern New York Komen Affiliate has granted over \$800,000 to breast cancer programs for the medically underserved in the Affiliate's service area. Up to 75% of Komen Albany Race for the Cure® revenues fund these programs and a minimum of 25% of net race revenues support the Susan G. Komen Breast Cancer Foundation Award and Research Grant Program.
