

Where the Money Goes

We are excellent stewards of dollars—nearly 80 cents of every dollar raised supports our mission. Since 1995, the Komen Northeastern New York Affiliate has granted over \$1.5 million to breast cancer programs for the medically underserved in the Affiliate's service area. Up to 75% of Komen NENY Race for the Cure® net proceeds fund these programs and a minimum of 25% of net race revenues support the Susan G. Komen For The Cure Award and Research Grant Program.
